ESTATE REQUIREMENTS

If you would like for us to pay the estate until it is closed, please provide the following:

1. Copy of the Death Certificate
2. Copy of the Letters Testamentary or Letters of Administration

If the deceased died testate (LEAVING A WILL THAT WILL BE PUT THROUGH PROBATE), when the estate is settled, please provide copies of the following:

1. Last Will & Testament
2. Final Order admitting Will to Probate or Muniment of Title
3. Federal Estate Tax settlement letters and State inheritance receipts or a letter from the executor or the attorney for the estate stating that all inheritance taxes were paid, waived or none were due.

If the deceased died intestate (WITHOUT A WILL OR A WILL THAT WILL NOT BE PUT THROUGH PROBATE), please furnish copies of the following:

1. Death Certificate
2. Affidavit of Heirship; this instrument should be signed by two (2) disinterested persons who are well familiar with the family history of the decedents and not a member of the decedent's family.
3. Order allowing final account and determination of heirs and decree of final distribution, if applicable.
4. An affidavit stating all debts and taxes have been paid, waived or none were due.

All copies of Probate documents as well as the Affidavit of Heirship are required to be recorded of public record in the county in which the wells or interest(s) are located, as referenced above. If I may be of further assistance, please feel free to contact me.

EXECUTORS! In addition to the required Estate paperwork, please include a letter stating the names, addresses, social security numbers (if available), and the corresponding percentage that each heir receives. This helps simplify the allocations to the heirs, and eliminates errors in interpretation of Wills.

Thank you for your help.
